2. All livestock and exhibits shown must be a bonafide part of the exhibitor's project for the current year and the exhibitor must have completed any requirements of their respective organization to compete.

3. Entry forms must be accurately written or typed on Miami County Junior Fair forms and signed by Junior Fair exhibitor, Advisor/leader and Parent.

4. No entry fee will be charged for any entry in the Junior Fair Division. Junior Fair exhibitors may enter their animal or article in open class where there is a class for such entry by filling out an open class entry blank and complying with the Rules and Regulations of the open class show. These entries must be made on open class entry blanks. Entries made in different departments (e.g. Dairy and Horse) should be made on respective entry forms.

5. A separate entry blank must be used by each person making an entry EXCEPT 4-H Home Economics Projects. Entries in each class are limited to two per class per exhibitor unless stated otherwise by the department rules and regulations.

If it is felt that a violation has occurred, fair officials will make recommendations to the designated committee of the agricultural society which is appointed to that particular department. After the committee hears the allegations and or evidence they will decide if the case should be brought before the full board of directors.

In the decision of allegations being brought before the board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence. Upon hearing the case, the Fair Board will make the ruling. When satisfactory evidence has been obtained by the Miami County Fair Management that any of the livestock rules have been violated, the exhibitor and/or the exhibitor's family may be barred from showing at any future Miami County Fair. The minimum number of years for being barred is (3) years before the right to review for reinstatement. In case any premium shall have been awarded to animals shown in violation of this rule the Miami County Fair Management will request the exhibitor to refund all premiums, trophies, awards, ribbons, and sale money under such violation. Unless fraud and/or deception are involved, all championship placings stand. **ALL COMMITTEE AND SENIOR FAIR BOARD DECISIONS ARE FINAL.**

6 EASY STEPS FOR YOU TO BUY A MIAMI COUNTY JUNIOR FAIR ANIMAL

The Sale Will Be Conducted Using the Premium Bid System

1. Attend one or all the livestock sales and place your own bid or contact another buyer to place your bid.

2. There are two (2) ways to obtain a buyer's number:

- Pre-register online until August 9th at www.miamicountyohiofair.com or at the fair office during normal office hours. Proper ID will be required to pick up a buyer's number the day of the sale.
- When you arrive at the livestock sale, obtain a buyer's number from the sale clerks to bid on the animal of your choice. Proper ID will be required to register.

3. When you spot an animal that you want to purchase, bid by contacting the ring man or holding up your

buyer's number. Prices are bid per lot. Most lots will consist of a single animal but some lots will consist of multiple animals (such as a pen of three rabbits, pen of two chickens or a pen of two lambs). Each lot will receive one premium bid price.

4. If you are the winning bidder you will be asked if you want to "truck" or "pen" the animal. If you tell them to "truck" the animal, that means that the animal/meat goes to the packer and you only pay the bid price. If you tell them to "pen" the animal, which means that you want the animal/meat and you will pay the bid price plus the market value of the animal. The market value of the animals will be determined and posted before the sale.

a. Poultry – we cannot place a market value on poultry so, all

poultry remains the property of the exhibitor.

b. Rabbits – we cannot place a market value on rabbits so, all rabbits remain the property of the exhibitor.

5. Add-ons will be accepted at the clerk's desk behind the auctioneer's podium. The cutoff time for add-ons will be one (1) hour after the close of the sale.

6. If you purchased an animal and had it "penned", it is the responsibility of you the buyer to arrange and pay for trucking and slaughter of the animal.

7. Even splits will be accepted with a \$250.00 minimum bid per buyer's number. No uneven splits will be accepted.

8. All purchases through the 2018 Miami County Jr. Fair Livestock

Sale will be invoiced. Add-on amounts will start with a \$20.00 minimum and go in \$10.00 increments. Invoices not paid by October 1, 2018 will be charged a \$50.00 per month late fee.

Junior Fair Livestock Buyers receive these important benefits if paid by October 1, 2018:

- A listing of this year's Miami County Junior Fair Livestock Sales Buyers appearing in next year's Miami County Fair Premium Book.
- Miami County Junior Livestock Buyers Sign displayed at next year's Miami County Fair.
- Buyers who spend over \$250.00 (total) at this year's Miami County Junior Fair Livestock Sale will receive a week long fair admission pass to next year's fair.
