The Morse Family Gospel Singers

...is made up of Jonathan & Heidi Morse, seven of their nine children, and Jonathan's dad, Bill. Experiencing how God has brought them through the storms of life has allowed them to identify with those who are hurting and are thirsting for the Lord's touch in their lives. Through music, testimony, and the preaching of God's Word, they want to spread the Gospel of Jesus Christ to a dying world.

4:30 - 5:30

Berachah Valley

....was created in the spring of 2005 when a few friends came together searching for a place to play traditional bluegrass, gospel, and traditional renditions of current favorites. The name for the band is found in its theme Bible verse, II Chronicles 20:26. The players will testify that the clearly evident camaraderie seen on the stage is the natural fruit of the great blessing of good friendships and shared faith.
