## **Exhibitor Information**

### **Exhibitors:**

**We are returning to a live Jr Fair Livestock Sale on Thursday of the fair! Please read through carefully! The Sr. Fairboard Livestock Sale Committee is providing the 'platform' for the exhibitors to publicly receive premiums from supporters within the community. It is up to the exhibitors and their families to educate and encourage buyers to come and support the hard-working 4-H and FFA youth of Miami County. Just because an Exhibitor is registered for the Add-on sale does not guarantee they will receive a check.**

- 1) **The Premium Livestock Sale on Thursday is a non-terminal sale.** With all projects remaining the property of the exhibitor, **it is your responsibility to make your own arrangements for slaughter, sell to an individual/agent for slaughter, or to take it home.**
- 2) Jr Fair market exhibitors may only sell one (1) animal either through the Jr Fair Premium Market Sale or Sale of Champions
  - a) Any Exhibitor with more than one champion or reserve champion will be permitted to sell those animals in the Sale of Champions
- 3) Underweight and overweight animals are not eligible to sell in the live sale, but those exhibitors are still included in the online add-on sale if the exhibitor registered.

- 4) Premiums and add-ons are passed on to the Exhibitor after the sale has been processed and sufficient funds have been collected from the buyers, with a 3% sale charge subtracted from your sale total
- 5) **Any exhibitors who have supporters with accounts outstanding on October 20, 2022 will have the unpaid amount deducted from their check**
- 6) For participating species, Born & Raised Champions will be sold at the beginning of their species sale on Thursday. **All** other sale animals will be sold by their previously given sale number.
- 7) Any market exhibitor who wants to participate in the live auction needs to declare that at weigh-in
- 8) Any market exhibitor who does *not* want to participate in the online sale needs to indicate that when completing their fair entry
- 9) Any market exhibitor who wants to truck their extra animals **MUST** declare that at weigh-in
- 10) Due to time restraints, the auctioneers cannot share with the crowd any requested comments or achievements concerning individual exhibitors during the Thursday Jr Fair Livestock Sale.
- 11) **The Sale of Champions**
  - a) Remains a terminal sale for market beef, market dairy steer, market lambs, market hogs, and market goats
  - b) In this sale, the winning bid will determine if a 'record has been broken'. Add-ons to Champions will **not** be considered in the 'recorded total' since supporters can give after the completion of the live sale.
  - c) In order for a new market livestock class to have their champion and reserve champion animals included in the Sale of Champions, there must be a minimum of 15 exhibitors for five consecutive years
  - d) Any market class whose number of exhibitors drops to 10 or below for three consecutive years will not be included in the Sale of Champions.

  - f) **Checks are valid for 90 days and WILL NOT be reissued after that time.**

**Please take the time to express your gratitude to all of your Livestock Sale supporters! We want their experience with the Miami County Fair to be a positive one, so please do your part in making them feel appreciated!**
